

Joining up Health and Care in Scotland

Thursday 2nd May, 10am – 4pm Glasgow Science Centre – [click here for location](#)

Join us as to look at how EMIS Health is supporting the Digital Health and Care Strategy in Scotland.

Hear from the senior leaders of the business as they take you through our product strategy and the exciting developments designed to join up health and care across Scotland.

Explore our exhibition area, network with peers and colleagues whilst learning about how EMIS Health is aiming to support you and your organisation both now and in the future.

Learn from EMIS users and NHS Leaders who will outline digital and integrated care transformation, talking about their vision and their benefits realisation of using EMIS solutions.
